Agenda:

Today we discussed road safety. The question that went out to all the classes to discuss was:

‘How can we make it safer for our children to cross the road outside our school?’

Suggestions were made as follows:

- Year 1: A zebra crossing and encourage parents to walk to school with their children.
- Year 2: Get a new sign saying stop or drive slowly.
- Year 3: A lollipop person or traffic lights
- Year 4: Ask the parents what they think, name and shame people that park on the zig zag lines and talk to the Governors and ask for their help. The children could also make some safety signs.
- Year 5: Zebra crossing or speed bumps.
- Year 6: Meet with parents on safety with cars and a regular traffic warden.

The majority in our meeting went with the idea of getting a zebra crossing and we would like to meet this target by August 2015.

Our next steps are:

- To write to the parents on the school newsletter to ask them to take care on the roads and encourage them to walk to school if they can.
- Send an e mail to the person that is responsible for road safety in Nottingham city and invite them to our next meeting.

Next meeting: Wednesday 11th of February
