

Mellers Primary School Council Minutes

Date of meeting: 18th January 2016

People present:

Caleb and Mazar Y6
Ismail and Lanai Y5
Mrs Sokoli
Cariad

Agenda:

- Drinks at tuck shop

We talked to Cariad about drinks being served at tuck shop. She stated that:

- They can't use cups because they can't be taken outside and if they do, there won't be enough time to sterilize them;
- Juices are very unhealthy and too sugary to give out in school (smoothies take too long so they will be done once a term);
- Water is always readily available in every class' cloakroom; therefore there is no need for water.

As school councillors we have made the decision that drinks will not be served at playtime. We all have access to a drink of water throughout the day. As a special treat the school council are willing to make smoothies for the children to buy once every school term.

Chosen issue for next meeting

- We know that Mrs Elliot would like the school council to work on an induction package for new arrivals.
- Year 5 want a craft table outside at playtimes

Action plan:

- Arrange a date for the planning and selling of smoothies.

Next meeting:

To be confirmed.
