Class Councils

Year 2: no meeting

Year 3: no meeting

Year 4: discussed more clubs after school and lunches

Year 5: no meeting

Year 6: issue discussed non-uniform for good behaviour

Agenda: Having a craft area outside at playtimes.

Year 3 thought it would be a good idea as lots of children like arts and crafts.

Issues raised:

- It may get ruined in bad weather,
- The equipment might be ruined,
- It might take up room for children to relax and chat and
- How it would be managed.

Solutions

- It would be monitored daily by prefects,
- The equipment would be separate from school stock,
- The budget from the Christmas Fair could be used,
- An umbrella can be put above the table and
- Different classes can access the craft table on different days (a rota would be needed).

Chosen issue for next meeting

End of half-term uniform day for good behaviour

Action plan:

- Have a lunchtime meeting about budget.
