Year 4: No class meeting

Year 5: Would like to have dinner before play as they are hungry

Year 6: No class meeting

**Agenda:** To discuss bullying and how we feel about it.

**Issues raised:**

- We need to identify where bullying happens and have PGB's out there supervising
- Always tell someone straight away if you are being bullied
- Maybe have cameras on the yard and field
- Always support each other
- Lets name and shame the bullies.

**Solutions:**

The children need to understand what bullying is and learn how to deal with it.

**Action Plan:**

Our Head Committee are discussing what bullying is and how you can deal with it in assembly. They will also always be there for you if you need to talk to them about bullying, you can find them at playtimes and lunctimes.

Posters have been put up around school to establish what bullying is and top tips on bullying.

**Chosen issue for next meetings agenda:**

What do you know about the new build? What would you like to know? How can the school council help?
