Chosen issue for next meetings agenda:

Zebra crossing

Please discuss road safety outside school with your class. What are their concerns? Do they have any solutions?

Action plan:

- Talk to the teachers about how they feel about golden time
- Mark and Omar to talk to Cariad about a summer picnic
- Haddy and Ismail to meet with Miss Dawson to discuss golden time
- Haddy and Ismail to find out who to contact regarding road safety and the zebra crossing.

Thank you for your feedback on art, it was great to hear evrything you love doing. We have passed this on to Miss Guinard.
