

School Council Minutes

Date of meeting: 29th November 2017

People present:

Y6: Samia and David

Y5: Tayyab and Alivea

Y4: No representatives

Y3: Omar and Navaeh

Y2: Ava

Teacher: Mrs Sokoli

Agenda: Playtimes

The school council are going to be monitoring playtimes and lunchtimes.

The feedback from class council meetings was:

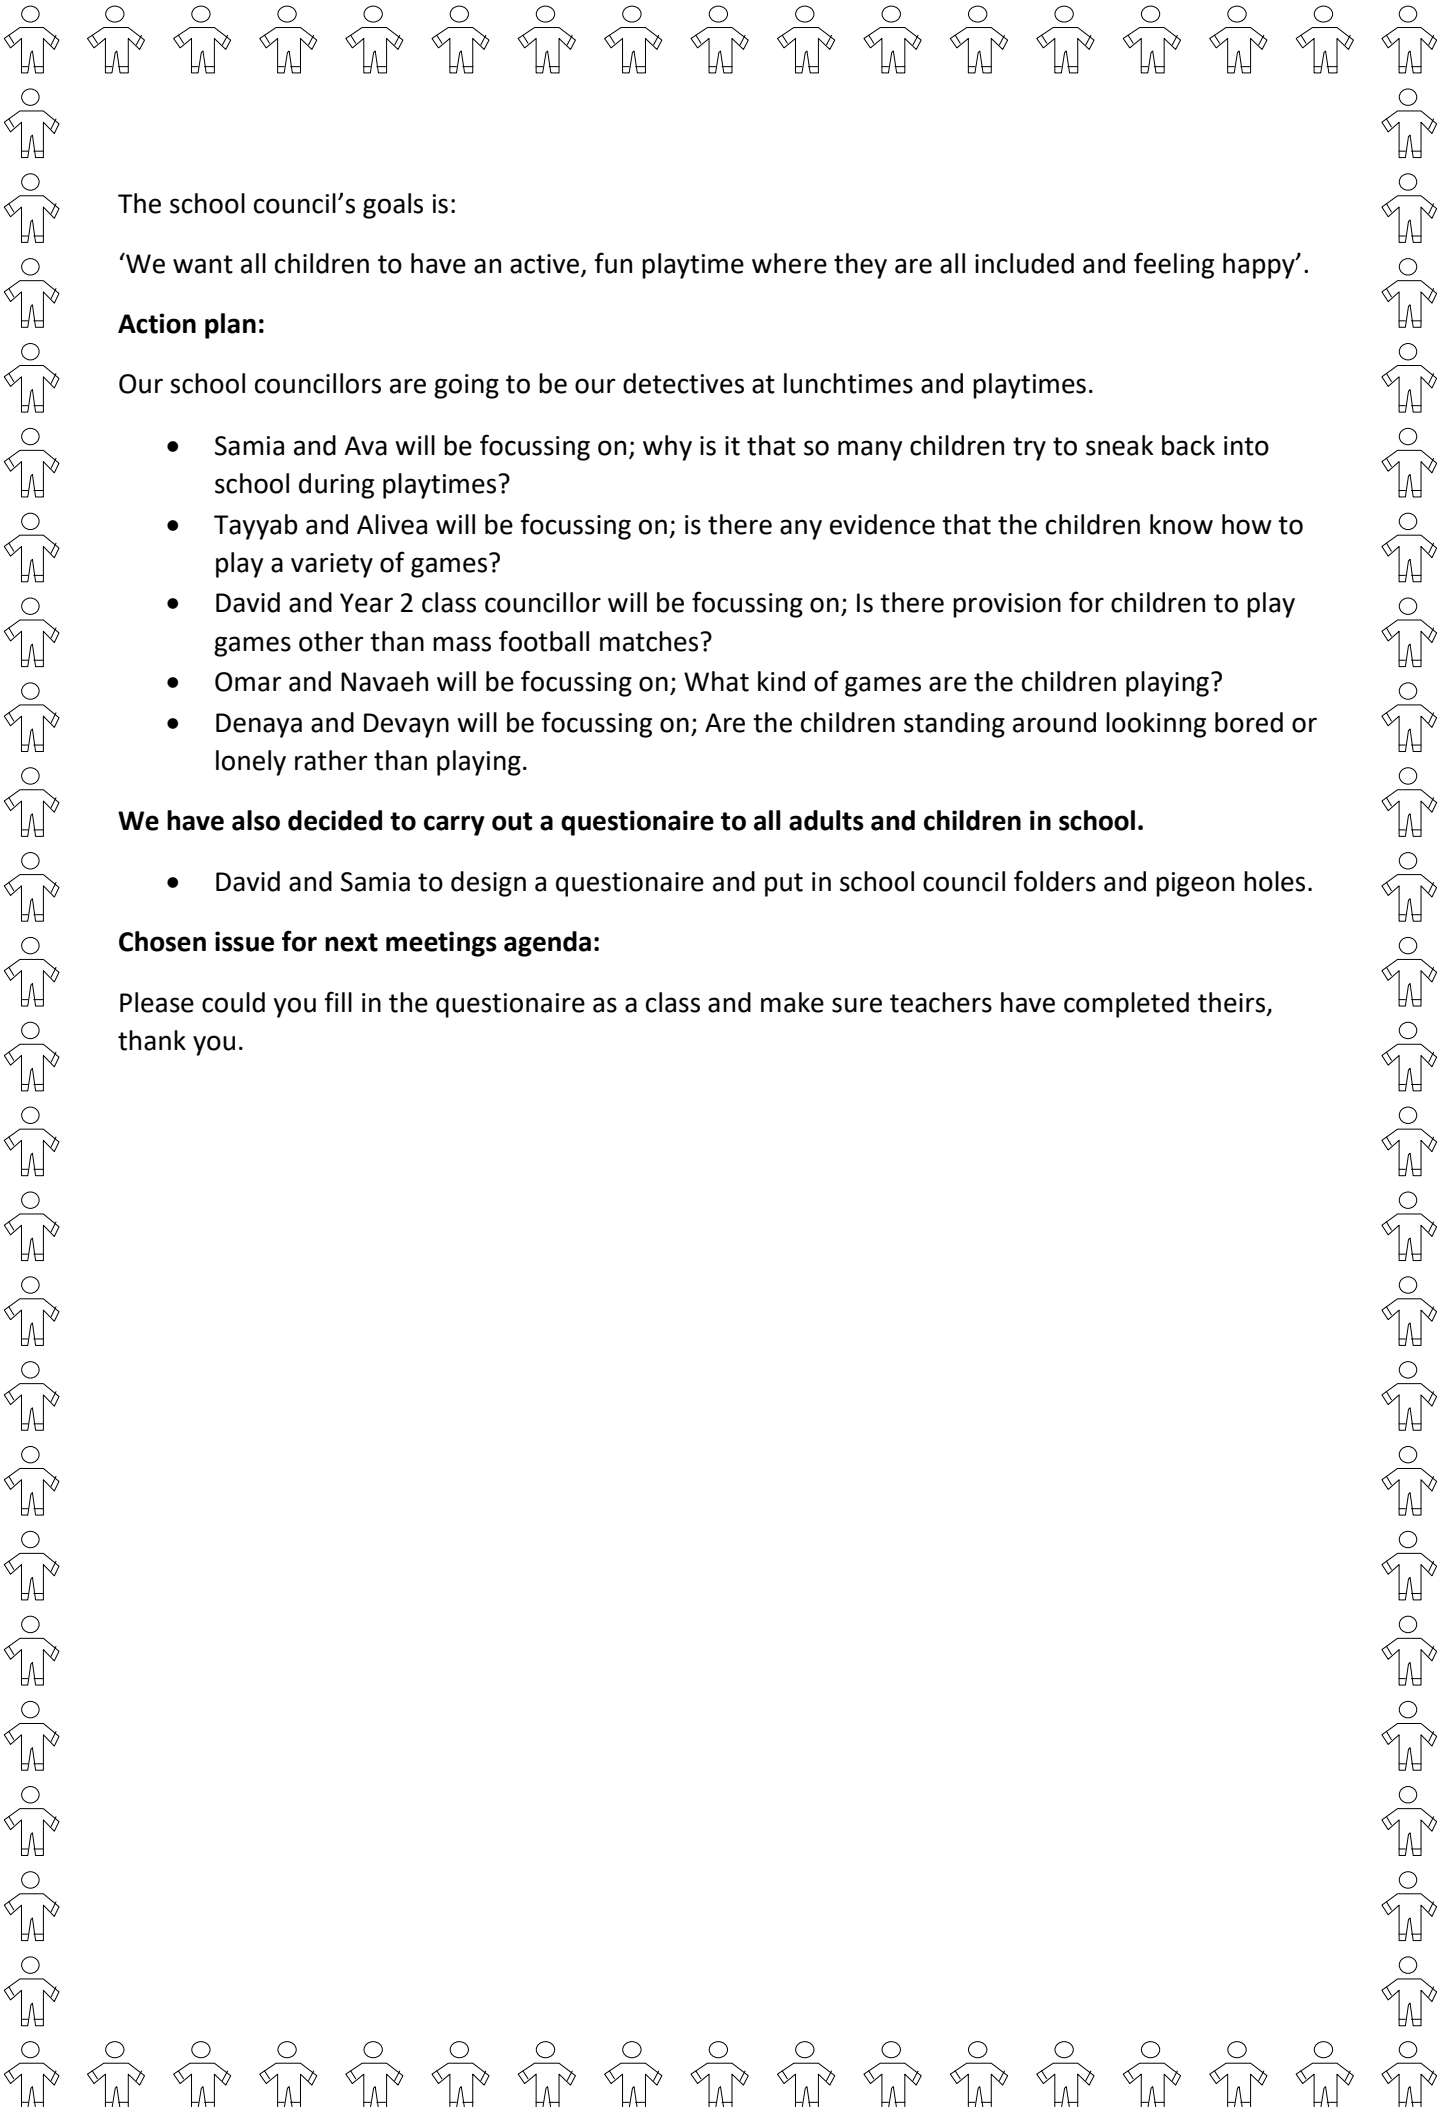

Positives:

- Playing with friends
- Fresh air
- Football
- Kind to each other
- Playground buddies
- Mr Notingham and Mr Mckeefry playing football with us
- The Middays helping us when we are hurt
- The trimtrail

What would make playtimes better?

- Sand and water pits
- Extra play in the afternoon
- More games
- Picnics in the nature garden
- Making dens
- Children having better skills to play in larger groups
- All children being allowed to explore all areas of the playground
- A timetable for football
- Better social skills – don't push each other off the trim trail
- Middays to be more playful
- Children not being left out
- Bigger goals

The school council's goals is:

'We want all children to have an active, fun playtime where they are all included and feeling happy'.

Action plan:

Our school councillors are going to be our detectives at lunchtimes and playtimes.

- Samia and Ava will be focussing on; why is it that so many children try to sneak back into school during playtimes?
- Tayyab and Alivea will be focussing on; is there any evidence that the children know how to play a variety of games?
- David and Year 2 class councillor will be focussing on; Is there provision for children to play games other than mass football matches?
- Omar and Navaeh will be focussing on; What kind of games are the children playing?
- Denaya and Devayn will be focussing on; Are the children standing around looking bored or lonely rather than playing.

We have also decided to carry out a questionnaire to all adults and children in school.

- David and Samia to design a questionnaire and put in school council folders and pigeon holes.

Chosen issue for next meetings agenda:

Please could you fill in the questionnaire as a class and make sure teachers have completed theirs, thank you.
