Thursday 14th March 2019

Science Fair

Your children have enjoyed our Science work this week and to celebrate this we invite you to our science fair tomorrow, Friday 15th March from 3-4pm. Please come along to see the great things that your children have spent the week learning; as super scientists they are going to love showcasing their talents! You'll also be able to try your hand at some mind-boggling experiments in the key stage two hall. Prepare to be amazed! Free refreshments will be available too!

Word and Grammar of the Week

We thought we would share our word and grammar of the week with you, so that you can further help your children with their English skills:

Who's playing for Forest tonight? ✓
not

Whose playing for Forest tonight? ×

Relationship and Sex Education meeting for parents

We will be holding an information meeting regarding relationship and sex education, which is due to be brought into the curriculum in 2020. This meeting is an opportunity for you as parents to ask any questions and talk about any worries that you may have. The meeting will be held on Tuesday 30th April at 9am here in school.

Library Visit

Year One Major Oak class will be visiting the library next Wednesday afternoon.

Red Nose Day

It's Comic Relief day tomorrow so your children can come to school wearing anything red and donate £1.00. Their money will go towards supporting children here in the UK and abroad, keeping them safe and well.

Parents in School

If you drop your child off late at the office, please remember we don't let parents into school, we much prefer you to let them go to class on their own. It's really disruptive for parents to be going through school when learning has already started. If your child is in nursery, one of the office staff will escort them to the nursery area. Thanks for your cooperation with this.

Have a lovely weekend!

Amanda Dawson,
Headteacher

Easter Egg Donations!

We need your help! Once again we will be holding our annual Easter egg raffle just before the next school holiday. We would really appreciate any donations of chocolate Easter eggs for this event; eggs of any size can be brought to the school office whenever you're passing by! Thank you for your kindness and support.
