Exciting New Parenting TV Series

The TV production company, Monkey Kingdom are currently looking for confident parents to take part in a brand new competition for a major UK broadcaster. They want to hear from parents who are proud of the way they raise their children and who have a particular child-rearing strategy as they are looking for Britain's Best Parent. Whether raising kids in a couple or singly they want to hear from parents who would like to share their approach with others. You will need to have at least one child between the ages of five and thirteen to take part.

If anyone would like to find out more information about the series, we would ask that they send their name, contact details and to tell us what makes their parenting style great, to parent@monkeykingdom.com

Library Visit

Year Six will be visiting the library next Wednesday afternoon.

Dinner Money Price Increase

From 1st April 2019 the cost of a school meal will go up to £2.15 per day. For those parents who pay for school meals that's £10.75 per week if your child has school meals every day. Don't forget that if you believe you would qualify for free school meals we will help you to apply at the school office.

Class and School Group Photos

The new school photographer will be here on Monday 1st April to take class and school group photographs. We hope to create memories for you all that day so please put the date in your diary and make sure your children are in school smart and tidy that day!

Road Safety Outside School

Once again I urge parents to be extra careful whilst walking and driving along Norton Street; it is very hazardous and dangerous. Please make sure that you are holding hands with your children, especially if they are very young.

I appeal again to our parents who drive to and from school to park safely and legally. There are now double yellow lines on the corners of roads; please observe these, parking away from school and walking the remainder of the way, e.g. at John Carroll Leisure Centre. This is really important so that we are able to keep your children safe at all times.
