

NEWSLETTER 8
Spring Term '19
Thursday 7th March 2019

Congratulations!

Just to let you know that our lovely F2 teacher Miss Limb got married over the half term holiday and is now Mrs Leake. Congratulations to her and her new husband too!

Dinner Money and Milk Payments

As the financial year draws to a close at the end of March please make sure that you have paid any outstanding dinner money or milk money to the school office, either in cash or online using the Gateway app, thank you.

Library Visit

Year One Major Oak class will be visiting the library next Wednesday afternoon.

Science Fair

Next week is Science week at Mellers; there will be a science fair on Friday 15th March at 3pm, so please come along to see the great things your children have spent the week learning, as super scientists they will love to showcase their talents! You can also try your hand at mind-boggling experiments. Prepare to be amazed! Free refreshments will be available too!

Red Nose Day

It's Comic Relief day next Friday 15th March; at Mellers we will be charging children £1 each for a non-uniform, 'wear it red' day.

We still have a few red noses left to sell, so to avoid disappointment come along to the office as soon as possible, they cost £1.25 each!

Have a lovely weekend!

Amanda Dawson,
Headteacher

Word and Grammar of the Week

We thought we would share our word and grammar of the week with you, so that you can further help your children with their English skills:

Whose jumper is this? ✓

Nottingham Arts Theatre Youth Group

Nottingham Arts Theatre is proud to offer the opportunity to young people aged 9-16 to join our newly formed Lottery Funded Youth Theatre Group. They'll be working with experienced leaders so come along and join the fun!

Thanks to the lottery subsidy, the cost for all four sessions will be a total of £12 (that's only £3 per session.) A small number of supported places are also available.

Application forms can be found at:

<https://nottingham-theatre.us12.list-manage.com/track/click?u=7c3c80d7ca3a1cc30a38fe7d3&id=02e3019f80&e=27aff902de>

Parent Learning

We still have places available for parents of F2 children to learn how to help their children with phonics. This course takes place here on Tuesday mornings from 9-11am.

If you have 'green-fingers' and like gardening then we need your help! We want to repair and replant our raised beds on the field ready for this year's fruit and vegetable crops, please see Miss Cannop.
