Parents Be Aware of Coin Cell Batteries

We're encouraging parents to know where lithium coin cell batteries are in their homes – in products as well as spare and 'flat' batteries – so they can keep them out of children's reach and keep children safe.

Look around any family home and you'll see many products and gadgets powered by button batteries, particularly 3V lithium coin cell batteries like the CR2025, CR2032 and CR2330. For example, thermometers, fitness trackers, 3D glasses, gaming headsets, remote controls, bathroom scales, car keys, flameless candles, robot bug toys, light-up fidget spinners, musical greeting cards – the list is endless.

Please keep these and other small objects out of the reach of young children; they are real choking hazards and can cause fatal accidents.

Have a lovely weekend!

**Amanda Dawson,
Headteacher**

Word and Grammar of the Week

We thought we would share our word and grammar of the week with you, so that you can further help your children with their English skills:

They're going to be here soon. ✓

Road Safety

Our most recent concern out on Norton Street at the beginning and end of the school day is that some drivers are trying to turn their cars around right outside the school gates. These causes even further congestion at the most dangerous point of the road. Please continue to drive away from school and turn around near John Carroll or in Garfield Road where there are less cars to obstruct you. We are reporting this to you with the sole purpose of keeping all our pupils and their families safe at all times.

School Disco!

The next disco night will be after school on Thursday 18th July, from 3.30-5pm for children in years 1-6. As usual, tickets will cost £3.00 each and will be on sale from Monday 8th July at the school office. The ticket price will include a goodie bag with a drink, crisps and a treat too...what a great 'end of year' event!

Thank you!

A huge 'thank you' to our parents for their support last week at the key stage two production and the music concert. We raised £180.00 from these events, which we are donating to Nottingham Music Service, with whom we have our amazing In Harmony partnership. Thank you all once again.
