**NEWSLETTER 6**  
**Autumn Term '19**  
Thursday 10<sup>th</sup> October 2019

**Pupil Allergies**

If your child has any food or other allergies, you must give us a copy of a letter from your GP that confirms the allergy. Unfortunately, if we don't have confirmation of this from your GP we are not able to provide an amended meal each day, our cook needs the GP letter. We have a number of children in school whose parents tell us they have allergies, but haven't given us the medical proof. Please make sure that you bring the letter to the office so that we can photocopy it and put the copy in your child's file.

**Mellers Community Room**

Our parents' community room will be open for all parents to access from Monday 14<sup>th</sup> October from 8.30am onwards. Please feel free to come in and use it; have a chat and a cuppa. We really want to develop it as your space, for you to relax in. Our food bank is also kept in the community room, so don't forget that if you need it you are welcome to use it. Miss Cannop is planning to put a suggestion box in the Community Room so please put any suggestions in that.

**Mellers Foodbank**

As you know, we have a foodbank at Mellers. Our harvest donations will, once again, be for our foodbank (which is really well used). If you are interested in using our foodbank, please see Miss Cannop and she can assist.

Have a lovely weekend!

**LAUNCH EVENT**

**The Chimera  
Plantarium Project**

**Chiara Dellerba  
& Edna G Olds Academy**

**Friday 18 October, 3.30pm**  
**Church St, Lenton, Nottingham NG7 1SJ**

Join us for the launch of a mural in Lenton, created by artist Chiara Dellerba and children at Edna G Olds Academy.

Through the project they mapped the area looking at local plants, and created designs combining human and non-human forms. Alongside the mural, a series of unique ceramic tiles created by local potter Eric Foxley will be installed in the surrounding bank.

**FREE refreshments. All welcome!**

*This project was produced by Primary as part of the 'Making Place' programme and supported by Nottingham City Council.*

**PRIMARY** 

**Swimming and Hair Beads**

The swimming staff at John Carroll swimming pool have asked us to let parents know that if your child has beads in their hair, they **MUST** wear a swimming hat to cover them. In the last few weeks, the filter at the pool has been blocked due to beads that have come out of children's braids; you can buy swimming hats very cheaply. In future, I'm afraid that if your child has beads in their hair and doesn't have a swimming hat, the swimming teachers won't let them swim.
