12th March 2020

Dear parents/carers

Online learning

On the back of this letter are the login details for your children to get into Purple Mash online learning. They can access this website at any time, and there are lots of exciting learning opportunities to support their learning at home.

It is possible that schools in England might be closed at some point, due to the coronavirus. That hasn't happened yet, and I will let you know immediately **IF** Mellers has to close at any point. If it does happen, Purple Mash will be the place where teachers will put the online learning for your children.

There is also a link for parents to set up your own login to Purple Mash so that you can keep an eye on what your children are learning.

We will also be sending out some information about Tik Tok, a social media platform that many of our children use. This is **NOT** a good thing for your children to use, it is dangerous and other users can encourage your children to do things that make them unsafe. Please **DO NOT** allow your children to use Tik Tok. More information about this will follow.

In the meantime, Mellers remains open until Public Health England advises us not to stay open. If we do have to close for a time, the children will be set work through Purple Mash.

Please come to see your child's teacher, someone in the office or Miss Kervick our computing leader, for more information.

Yours sincerely

Amanda Dawson
Headteacher

"This school is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment."
