Issues discussed in our class council meetings

- More activities for wet break: crafts, board games
- More outdoor games for break and lunch times including parachute
- Football nets for the field
- Alternate classroom with arts and crafts for breaktimes
- More charity fundraisers
- Restart international days
- More obvious bubble marking (cones at breaktimes)
- Classes to help decorate library (e.g. create a book bench)
- Slide added to trim trail
- New books for library: ask children what they want in the library

Chosen issue for school council meeting

- We voted on the suggestions above and decided we wanted to concentrate on the outdoor activities at break and lunchtimes. We thought about the current covid situation, time and resources and thought that the best solution would be to have painted floor games such as chess, snakes and ladders, hop scotches, noughts and crosses and we are open to asking other children for more ideas.

Thanks

- All of the classes for voting on their chosen suggestion and bringing it to the meeting.
- The councillors for being so organised at arriving for the meeting promptly

Action Plan

- Councillors to feedback to class about these minutes
- Miss Dawson to review the suggestion and respond with what can be done to tackle the issue of boredom and lack of variety at break and lunchtimes.

The next school council meeting will be held in the nature garden (weather pending) on Wednesday 14th May 2021 (week 6). Please look at and discuss your suggestions during class on the Monday or Tuesday before this.

P.s. We will have a little end of year celebration with the councillors, so please bring a packed lunch this day 😊 Please look at and discuss your suggestions during class on the Monday or Tuesday before this.

From our suggestion box, the issue our class has chosen to raise for the next school council meeting is:

A red rectangular box with rounded corners, intended for the class to write their chosen issue for the next school council meeting.
