Autumn Term Swimming Report

Current Academic Year Running Total as Percentages:

For Autumn term and to date your cumulative totals for distances and awards are highlighted below. Please remember to bring a list of the distances badges you need from your reports in Swimphony to the pool to collect, and print any awards from 1-6 to celebrate success.

The NCA* National Curriculum Awards are for pupils who have completed all the aspects of the National Curriculum including:

- Swimming a range of strokes over 10 metres
- Swimming a confident, proficient and competent distance of 25 metres
- Performing all self-rescue/water safety outcomes

Please note: The top line shows last year's Autumn term totals, based on pre-Swimphony data, which may not be fully accurate. If all values for last year are 0%, either your school didn't swim in Autumn last year, or we don't have access to this data for your school.
